

SMOKEY BEAR EVERGREEN ADVENTURE COLLAGE PUZZLE

PACKAGING FRONT:

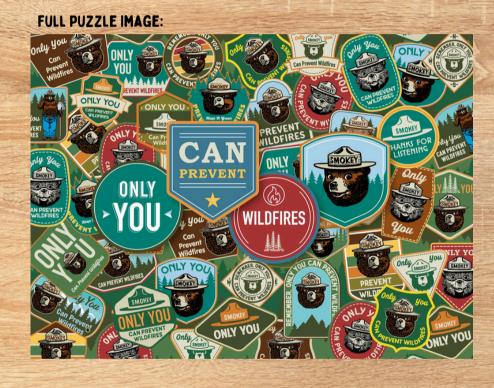

Smokey Bear 1000 PIECE JIGSAH 20 X27 P

Sincky Rear's thing history began early in 1959, when a burned cub survived a fire in the Lincele National Forest near Capitan, New Mexice. Because this bear survived a terrible forest fire and wen the lows and imagination of the American public, may people mistaken below the cub was the original Sincely Sea. In really, he did not come along walfil the advertising symbol was almost six years did. After being nursed back to health, Smakey came to live at the Sinthkeenian National Zoo in Washington, DC as a living counterpart to the Cooperative Forest Fire Prevention (CFFP) Program's wildfire prevention symbol. Work to years, bloads of begind from around the world came to asso mokey Boar at the Son. After many years of popularity, the living symbol ided in 1974. His remains were returned to Capitan and rest beneab a stone marker in Sondawa Rear Horizon's John Poul.

The name and character of Smokey Bear are the property of the United States, as provided by 16 U.S.C. 580p-1, and are used with the sermission of the Forest Service, U.S. Desartment of Asriculture.
